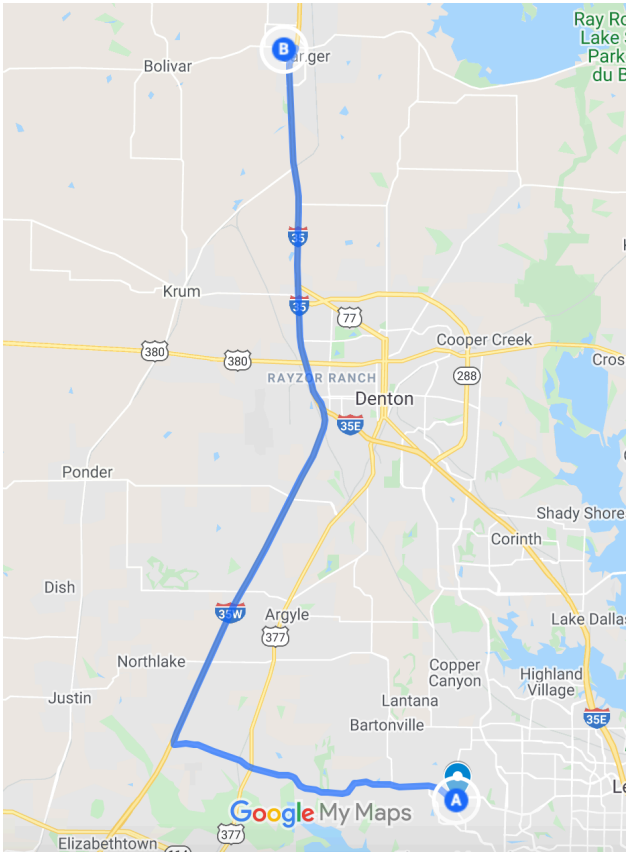
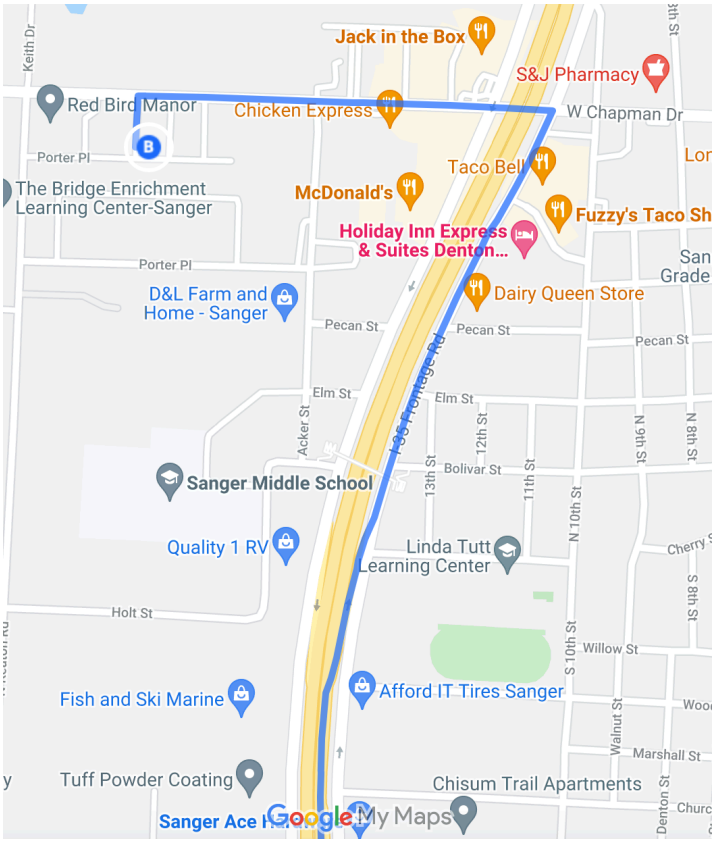
Dear Habern Orthodontics Family,




Due to circumstances out of our control, building management will not renew our lease as of December 31, 2021 at our office in 4251 Cross Timbers here in Flower Mound. This is an unfortunate situation for our family of patients as well as my staff and me. However, we have found a new location and have started construction on our new facility only 5 minutes from our current office. We are truly excited about this move and looking forward to sharing our new space with all of you. The new office is on FM 407, at the Bartonville Town Center right next to Marty B's. It should be completed sometime in February. The exact address is 2652 FM 407, Suite 130, Bartonville, Texas 76226. During construction, we are extending our hours in our second office in Sanger (just north of Denton) to include Saturdays. The office is less than 30 minutes away from our current location. I loved my office here in Flower Mound. I hate that I had to make this change. I want all of you to know that what sets Habern Orthodontics apart is the relationship I have with you as a patient, and with you as a parent and your child. I truly care about you, your treatment, and results. We will make this transition as easy as possible and do our best to accommodate you. For most of you, we may not have to see you until the new facility is open, for others, we would love to see you in our Sanger location. The address for the Sanger office is 1650 West Chapman Dr, Suite 100, Sanger, Texas 76266. Please do not hesitate to contact us with any questions or concerns during this transition at (972)-539-8295. The maps below are directions from the Flower Mound Office to the Sanger office.
